One or both parties to a marriage may elect to change the middle or last names by which that party wishes to be known after they are married by entering the new name in fields 30A thru 31C, as applicable, on the marriage license application **at the time they are applying for the marriage license**. The parties may choose any of the following **middle or last names** as the name they wish to be known as after marriage [FC § 306.5(b)(2)]:

The name you indicate on the marriage license application will be your name on the marriage license/certificate and cannot be changed by the County Clerk.**

You are not required to change your name, nor are parties required to have the same name.

If one or both parties do not wish to identify a new name on the marriage license, fields 30A thru 31C, as applicable, on the marriage license will be completed with two single dashes. You may not change the information on the marriage license after it has been issued by the County Clerk.

County Clerk staff cannot advise you how to complete the marriage license application as it relates to your entry of a new name or retention of your former name on the marriage license application.
