

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION FOR THE CROSS TOWN PIPELINE PROJECT

In compliance with the California Environmental Quality Act (CEQA), the City of Hollister has undertaken environmental review for the Cross Town Pipeline Project (project) and intends to adopt a Mitigated Negative Declaration. Environmental review examines the nature and extent of any potentially significant adverse effects on the environment that could occur if a project is approved and implemented. Based on the Initial Study, the Direction has concluded that all environmental impacts associated with the proposed project are less than significant, or would be less than significant with the incorporation of identified mitigation measures.

File Number: Cross Town Pipeline Project 2017-1

Project Location: The project is located in the southwestern area of the City of Hollister and in portions of unincorporated San Benito County, extending from City Well No. 5 on Nash Road to SSCWD Well No. 11 on Southside Road.

Project Description: The project is a new water conveyance pipeline extending sub-surface either entirely within existing public roadways or within the rights-of-way of roadways. The pipeline alignment would begin in the vicinity of city well No. 5 on Nash Road, referred to as the Nash Well, and terminate at SSCWD well No. 11, located on Southside Road, near the intersection of Southside Road and Union Road. The proposed project also includes an extension from the pipeline alignment to city well No. 2, referred to as the Bundeson Well, located on Bundeson Drive, near its intersection with Sally Street.

Public Review Period: Begins - Wednesday July 5, 2017
Ends – Friday, August 4, 2017

Proposed Mitigated Negative Declaration Available for Public Review at these Locations:	City of Hollister, City Hall	City of Hollister,	San Benito County Free
