Dear Neighbor and Interested Parties:

This **Notice** is a brief description of a **proposed** project located in your neighborhood. Application materials are available for review at the San Benito County Resource Management Agency.

For more information or to comment on this project, you may write or call **831 902-2287** and speak to the Project Planner. It is not necessary to be for or against a project to be concerned or to provide important information.

A decision on this request will be made on or after February 19, 2019, unless a written request for a public hearing is received prior to the decision date. A request for a public hearing must be based on a substantive issue and submitted with a public hearing fee.
