*****NOTICE*****

No duty is imposed upon the Office of the County Clerk/Registrar of Voters to determine whether a candidate meets the requirements for holding office. The Declaration of Candidacy, which each candidate must sign under penalty of perjury, states that the candidate meets the statutory and/or constitutional qualifications for office (including, but not limited to, citizenship, residency, etc.). This guide is intended to provide general information concerning the nomination and election of candidates, and does not have the force and effect of law, regulation, or rule. It is distributed with the understanding that neither the Secretary of State nor the Office of the County Clerk/Registrar of Voters is rendering legal advice, and, therefore, this information is not to be a substitute for legal counsel for the individual, organization, or candidate using it. In case of conflict, the law, regulation, or rule will apply.

Unless otherwise indicated, all code section references are to the California Elections Code.

COUNTY OF SAN BENITO

CLERK, AUDITOR, & RECORDER
REGISTRAR OF VOTERS

A Message from **JOE PAUL GONZALEZ**

This handbook has been prepared to assist candidates in preparing for the upcoming 2014 General Election. This handbook is not intended to be all encompassing, but merely summarizes major provisions related to candidates and committees involved in elections in the County of San Benito and the State of California.

Regardless of who wins, it is hoped that this is a positive experience for you. The Elections Department is dedicated to helping all qualified candidates get their names printed on the ballot and to ensuring that the election is fair and accurate.

For the uninitiated, the process can be confusing, with resulting errors and misunderstandings. Although this handbook is a guide for candidates, it is for general information only and does not have the force and effect of law, regulation, or rule. In case of conflict, the law, regulation, or rule will apply. Candidates and others using this handbook must bear full responsibility to make their own determinations as to all legal standards and duties.

The best advice I can give to all candidates is **FILE EARLY**. The filing deadlines are rigid and if one waits until the last moment to file a document containing errors or omissions, one's right to appear on the ballot may be lost. Most errors can be corrected given adequate time.

We hope you find this Candidate Handbook useful. For additional election-related information, feel free to contact the office **Monday** through **Friday 9 am to 4 pm**. (*Closed Lunch Noon to 1 pm*), excluding county holidays. There are extended office hours for specific election deadlines per Election Code. These deadlines have been noted in this guide.

Good luck and wishing you the best.

Sincerely,

Joe Paul Gonzalez

Joe Paul Gonzalez
County Clerk, Auditor & Recorder
Registrar of Voters

The Fair Political Practices Commission (FPPC) was created by the Political Reform Act of 1974, a ballot initiative passed by California voters as Proposition 9.

The FPPC educates the public and public officials on the requirements of the Act. It provides written and oral advice to public agencies and officials; conducts seminars and training sessions; develops forms, manuals and instructions; and receives and files statements of economic interests from many state and local officials.

The FPPC investigates alleged violations of the Political Reform Act, imposes penalties when appropriate, and assists state and local agencies in developing and enforcing conflict-of-interest codes.

The FPPC regulates:

- campaign financing and spending;
- financial conflicts of interest;
- lobbyist registration and reporting;
- post-governmental employment;
- mass mailings at public expense; and
- gifts and honoraria given to public officials and candidates.

NAME & BALLOT DESIGNATION

NAME ON BALLOT

The candidate states on the Declaration of Candidacy how his/her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered, though the two need not be identical. (Example: A candidate registered as “Jonathan William Smith” may use such variations as “John W. Smith,” “John Smith,” or “J. William (Bud) Smith.”)

BALLOT DESIGNATION - LEGISLATIVE REQUIREMENTS

The ballot designation is the word or group of words that will appear on the ballot under the candidate's name, designating the principal profession, vocation, or occupation of the candidate.

Elections Code Section 13107, 13107.3 (Statutes of 2008) and 13107.5 governs the ballot designation that a candidate may use. All candidates (except candidates for Justice of the State Supreme Court or Court of Appeal) may choose a ballot designation to appear immediately under their name on the ballot. Each candidate who submits a ballot designation shall file, in addition to the nomination documents filed pursuant to §8020, a ballot designation worksheet that supports the use of that ballot designation by the candidate. The ballot designation worksheet is obtained from the Elections Department.

The ballot designation must be chosen from one of the four categories below:

- 1) **Elective Office:** Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by a vote of the people, or to which he or she was appointed, in the case of a superior court judge.
- 2) **Incumbent:** The word “incumbent” may be used if the candidate is a candidate for the same office that he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.
- 3) **3-word Profession/Occupation/Vocation:** No more than three words designating either the current principal professions, vocations, or occupations of the candidate. If there is no current position, the candidate may use the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. If more than one profession, vocation or occupation is listed, it shall be separated by a slash (“/”).
- 4) **Appointed Incumbent:** The phrase “appointed incumbent” may be used if:
 - a) the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for the election to the same office, or,
 - b) if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office.

In either instance, the candidate may **not** use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office that he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election.

NAME & BALLOT DESIGNATION (CONT...)

Community Volunteer: A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

- 1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
- 2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
- 3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

TITLES OR DEGREES PROHIBITED

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. (Elections Code §13106)

UNACCEPTABLE DESIGNATIONS

Pursuant to Elections Code §13107(b), neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

- 1) It would mislead the voter.
- 2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- 3) It abbreviates the word "retired" or places it following any word or words that it modifies.
- 4) It uses a word or prefix, such as "former" or "ex", which means a prior status. The only exception is the use of the word "retired".
- 5) It uses the name of any political party, whether or not it has qualified for the ballot.
- 6) It uses a word or words referring to a racial, religious, or ethnic group.
- 7) It refers to any activity that is prohibited by law.

REJECTED BALLOT DESIGNATIONS

If, upon checking the Declaration of Candidacy, the election official finds the designation to be in violation of any of the restrictions set forth in §13107, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address appearing on the candidate's nomination documents.

The candidate shall, within three (3) days from the date of receipt of the notice, appear before the election officer or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation.

In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

NAME & BALLOT DESIGNATION (CONT...)

BALLOT DESIGNATION MAY NOT BE CHANGED AFTER FILING

No ballot designation given by a candidate shall be changed by the candidate after the final date for filing nomination papers, except as specifically requested by the election official.

BALLOT DESIGNATION IN BOTH PRIMARY AND GENERAL ELECTIONS

The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request. (EC §13107(e))

FORMAT OF BALLOT DESIGNATION

In all cases, ballot designations shall be printed in 8-point uppercase and lowercase type.

If the designation selected is so long that it would conflict with the space requirements of Elections Code §13207 and 13211, the election official shall use a type size for the designation for each candidate for office sufficiently smaller to meet these requirements.

Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. §1971), as amended, to appear on the ballot in addition to the English version, it shall be as short as possible, as consistent as is practicable with Section 13107, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

NO BALLOT DESIGNATION

A candidate who does not want a ballot designation should indicate this in the space provided for ballot designation on the Declaration of Candidacy, or the space may be left blank. If no designation is given, it will be assumed that none is desired.

BALLOT DESIGNATION REGULATIONS

§20714. Proposed Ballot Designations Submitted Pursuant to Elections Code §13107, Subdivision (a)(3).

Proposed ballot designations submitted pursuant to Elections Code §13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms "profession," "vocation," or "occupation," as those terms are used in Elections Code §13107, subdivision (a)(3), are defined as follows:

(1) "Profession" means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a "profession," as defined in Elections Code §13107, subdivision (a)(3), include, but are not limited to, "attorney," "physician," "accountant," "architect," and "teacher."

(2) "Vocation" means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a "vocation," as defined in Elections Code §13107, subdivision (a)(3), include, but are not limited to, "minister," "priest," "mother," "father," "homemaker," "dependent care provider," "carpenter," "plumber," "electrician," and "cabinetmaker."

(3) "Occupation" means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an "occupation," as defined in Elections Code §13107, subdivision (a)(3), include, but are not limited to, "rancher," "restaurateur," "retail salesperson," "manual laborer," "construction worker," "computer manufacturing executive," "military pilot," "secretary," and "police officer."

(b) "Principal," as that term is used in Elections Code §13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term "principal" precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her "principal" professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or her nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or her nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her "principal" professions, vocations or occupations if (i) the candidate's licensure status is "inactive" at the time the candidate files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code §13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code §13107 and the regulations in this Chapter.

SECRETARY OF STATE (CONT...)
BALLOT DESIGNATION REGULATIONS

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code §13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a "principal" profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.

(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."

(f) Pursuant to Elections Code §13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three word limitation:

(1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

(2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

(3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not "geographical names," as the term is used in Elections Code § 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of "City of . . .," "County of . . .," or "City and County of . . ." Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include "Butte County Rural Fire District Captain," "Huntington Beach Unified School District President," and "South Bay Irrigation District Director."

(4) An acronym shall be counted as one word.

(g) A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of acceptable designations under this section include "State Senator/Rancher," "California Assemblywoman/Attorney," "County Supervisor/Teacher," and "State Controller/Businessman." Examples of unacceptable designations under this section include "Assemblyman, 57th District/Educator," "California State Senator/Architect," "Placer County Supervisor/Business Owner," and "Member, Board of Equalization/Banker."

(a) Pursuant to Elections Code §13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the phrase "appointed incumbent" if the candidate holds an office, other than a judicial office, by virtue of appointment, and the candidate is a candidate for election to the same office. The candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed."

(b) Pursuant to Elections Code §13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. The candidate may not use any words designating the office unmodified by the word “appointed.”

§20716. Unacceptable Ballot Designations.

(a) The Secretary of State shall reject as unacceptable any proposed ballot designation which fails to comply with Elections Code § 13107, subdivision (a); is prohibited pursuant to Elections Code § 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.

(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107, subdivision (a)(3):

(1) *Avocations*: An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as set forth in Section 20714.5 of this Chapter), and matters pursued as an amateur.

(2) *Pro Forma Professions, Vocations and Occupations*: Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated, except as set forth in Section 20714.5

of this Chapter. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.

(3) *Statuses*: A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to, veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code § 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to §§ 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, tradename, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.

(e) Pursuant to Elections Code § 13107, subdivision (b)(2), the Secretary of State shall reject as unacceptable any proposed ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives which would suggest an evaluation of the candidate's qualifications shall not be permitted. Such impermissible adjectives include, but are not limited to, "senior," "emeritus," "specialist," "magnate," "outstanding," "leading," "expert," "virtuous," "eminent," "best," "exalted," "prominent," "famous," "respected," "honored," "honest," "dishonest," "corrupt," "lazy," and the like.

(f) Pursuant to Elections Code § 13107, subdivision (b)(3), the Secretary of State shall reject as unacceptable any proposed ballot designation which abbreviates the word "retired" or places it following any word or words which it modifies. Examples of impermissible designations include "Ret. Army General," "Major USAF, Retired" and "City Attorney, Retired."

(g) Pursuant to Elections Code § 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, "Ex-," "former," "past," and "erstwhile." Examples of impermissible designations include "Former Congressman," "Ex-Senator," and "Former Educator."

(h)(1) Subject to the provisions of Elections Code § 13107, subdivision (b)(4), use of the word "retired" in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

(2) In evaluating a proposed ballot designation including the word "retired," the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term "retired":

SECRETARY OF STATE (CONT...)

- (A) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;
- (B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;
- (C) The candidate has reached at least the age of 55 years;
- (D) The candidate voluntarily left his or her last professional, vocational or occupational position; and,
- E) The candidate's retirement benefits are providing him or her with a principal source of income.

(3) If a candidate is requesting a ballot designation that he or she is a retired public official, the candidate must have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word "retired" in his or her ballot designation.

(4) A candidate may not use the word "retired" in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

(i) Pursuant to Elections Code § 13107, subdivision (b)(5), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses the name of any political party, whether or not it has qualified for recognized ballot status.

(j) Pursuant to Elections Code § 13107, subdivision (b)(6), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or words referring to a racial, religious, or ethnic group.

(1) The Secretary of State shall reject as unacceptable any ballot designation which expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language.

(2) If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (e.g., "Rabbi," "Pastor," "Minister," "Priest," "Bishop," "Deacon," "Monk," "Nun," "Imam," etc.)

(k) Pursuant to Elections Code § 13107, subdivision (b)(7), the Secretary of State shall reject as unacceptable any proposed ballot designation which refers to any activity prohibited by law. On August 14, 2014 (11 am), the Secretary of State will conduct a random drawing of the alphabet, and the Registrars of Voters/County Clerks throughout the state will follow this same alphabet for most offices. Names of candidates will be arranged on the ballot in accordance with the random alphabet.

INSUFFICIENT NUMBER OF CANDIDATES

If, by 5 p.m. on August 13, 2014, the number of candidates in any district does not exceed that number of seats to be filled, and a petition signed by 10% of the voters of the district, or 50 voters, whichever is less, requesting that the election be held has not been presented to the Registrar of Voters, the election shall not be held.

LEGAL EXAMINATION OF CANDIDATE STATEMENTS AND WRITS OF MANDATE

EXAMINATION PERIOD FOR CANDIDATE STATEMENTS

After the filing deadline for candidate statements, the statements may be reviewed by the public for 10-calendar days. During this 10-calendar day examination period any voter of the jurisdiction in which the election is being held may take legal action to challenge the contents of the statement. The first filing deadline is August 8, 2014 and the 10-calendar day deadline would be August 18, 2014. The extension period filing deadline is August 13, 2014 and the 10-calendar day deadline would be August 23, 2014.

We recommend that anyone wishing to pursue a legal challenge to a candidate statement file a petition for a writ of mandate (along with an ex parte application) early in the 10-calendar day period. Waiting until the end of the examination period leads to the risk that a judge may deny the request due to the fact that any changes will interfere with the printing and distribution of the sample ballots to voters.

Elections Code Section 13313 states:

- (a) The elections official shall make a copy of the material referred to in Section 13307 available for public examination in the elections official's office for a period of 10-calendar days immediately following the filing deadline for submission of those documents. Any person may obtain a copy of the candidate's statements from the elections official for use outside of the elections official's office. The elections official may charge a fee to any person obtaining a copy of the material, and the fee may not exceed the actual cost incurred by the elections official in providing the copy.
- (b)
 - (1) During the 10-calendar day public examination period provided by this section, any voter of the jurisdiction in which the election is being held, or the elections official, himself or herself, may seek a writ of mandate or an injunction requiring any or all of the material in the candidates statements to be amended or deleted. The writ of mandate or injunction request shall be filed no later than the end of the 10-calendar day public examination period.
 - (2) A peremptory writ of mandate or an injunction shall issue only upon clear and convincing proof that the material in question is false, misleading, or inconsistent with the requirements of this chapter, and that issuance of the writ or injunction will not substantially interfere with the printing or distribution of official election materials as provided by law.
 - (3) The elections official shall be named as respondent and the candidate who authored the material in question shall be named as the real party in interest. In the case of the elections official bringing the mandamus or injunctive action pursuant to this subdivision, the board of supervisors of the county shall be named as the respondent and the candidate who authored the material in question shall be named as the real party in interest.

LEGAL EXAMINATION OF CANDIDATE STATEMENTS AND WRITS OF MANDATE (CONT...)

PROCEDURE FOR WRITS

Any person desiring to file an ex parte application for a writ of mandate may wish to consult the California Rules of Court, Rules 3.1200 through 3.1207, in addition to any other relevant rules or statutes, for the proper procedure. The California Rules of Court may be located online at the California Judicial Council's website: <http://www.courtinfo.ca.gov/rules>.

INCLUDING IMPROPER MATERIAL IN CANDIDATE STATEMENTS

Elections Code section 13307, subd. (d) provides that:

Nothing in this section shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter Information portion of the Sample Ballot.

Elections Code section 18351 further provides that:

Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidate's statement, prepared pursuant to Section 11327 or 13307, with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars (\$1,000).

CALIFORNIA CONTRIBUTION LIMITS

WHAT YOU NEED TO KNOW BEFORE YOU CONTRIBUTE – FAST FACTS
PRINTED FROM THE FAIR POLITICAL PRACTICES COMMISSION’S WEBSITE AT
WWW.FPPC.CA.GOV

Candidates seeking a state office and committees that make contributions to state candidates are subject to contribution limits from a single source. Contributions from affiliated entities are aggregated for purposes of the limits. (Regulation 18215.1.) The chart below shows the current limits per contributor and type of office sought. The primary, general, special and special run-off elections are considered separate elections.

| Aggregate From ALL Sources | Legislature/CalPERS/CalSTRS \$56,500 | Statewide Except Governor \$113,000 | Governor \$226,000 |

LEGAL DEFENSE FUNDS

Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney's fees and other legal costs related to the proceeding for which the fund is created. (Section 85304; Regulation 18530.4.)

RECALL ELECTIONS

A state officeholder who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (Section 85315; Regulation 18531.5.)

BALLOT MEASURE COMMITTEES

Contributions to ballot measure committees controlled by a candidate for elective state office are not limited, except as explained below.

CONTRIBUTIONS FROM STATE CANDIDATES AND OFFICEHOLDERS

A state candidate or state officeholder may not contribute more than \$3,900 to a committee controlled by another state candidate or state officeholder (including a state or local election committee, legal defense fund, officeholder account, recall committee, or ballot measure committee). This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate's or officeholder's personal funds and from campaign funds. (Section 85305; Regulation 18535.)

COMMUNICATIONS IDENTIFYING STATE CANDIDATES

Any committee that makes a payment or a promise of payment totaling \$50,000 or more for a communication that:

1. Clearly identifies a state candidate; but
2. Does not expressly advocate the election or defeat of the candidate; and
3. Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than \$32,500 in a calendar year if the communication is made at the behest of the candidate featured in the communication. (Section 85310.)

Note: The Commission amended a regulation to modernize California's treatment of communications containing the "functional equivalent of express advocacy." Regulation 18225(b)(2) defines the term "expressly advocates."

CONTRIBUTIONS FROM STATE LOBBYISTS

A state lobbyist may not contribute to a state officeholder's or candidate's committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election. The lobbyist also may not contribute to a local committee controlled by any such state candidate. (Section 85702; Regulation 18572.)

CONTRIBUTION LIMITS FOR LOCAL CANDIDATES AND COMMITTEES

Check with the pertinent local jurisdiction for information regarding limits imposed by a local campaign ordinance.

CAMPAIGN DISCLOSURES FOR FEDERAL CANDIDATES

Candidates for federal offices and committees that participate in federal campaigns are subject to federal disclosure requirements. Assistance for federal candidates and committees may be obtained from the:

FILING IS THE RESPONSIBILITY OF THE CANDIDATE AND/OR COMMITTEE

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

LATE FILINGS

There are no provisions for granting “extensions” of the filing deadlines.

If a candidate, officeholder, or committee is required to file a statement and has failed to do so by the deadline, the San Benito County Elections Department staff will:

1. Telephone the responsible party
2. Provide written notice that statement must be filed within 10 days (5 days for 2nd Pre-Election Statement) noting that a fine of \$10 per day beginning the day after the filing deadline until the date the statement is filed will be assessed unless waived by the Elections Official. The **maximum** penalty is \$100 or the total amount of contributions received or the total amount of expenditures made (whichever is greater) during the period covered by the late statement.

Fines may not be waived if statement is not filed within 10 days after specific notice is sent by the elections official (or 5 days for 2nd Pre-Election Statements).

Failure to file a statement after appropriate notice will be referred to an enforcement official and can result in substantial criminal, civil and administrative penalties.

MULTIPLE COMMITTEE FILING REQUIREMENTS

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees he/she controls must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office **AND** in which the officeholder is seeking office.

CAMPAIGN DISCLOSURE REQUIREMENTS

OFTEN OVERLOOKED

BEWARE – *The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.*

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- ❖ Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- ❖ Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- ❖ Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- ❖ A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year. Candidates for county offices (excludes judges, school boards and special district boards) must file a Form 410 prior to the acceptance of any campaign contribution totaling \$50 or more or the making of any expenditure intended to influence the outcome of any election.
- ❖ Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410 (previously reported on a Form 502, which has been eliminated)
- ❖ Loans to a candidate are considered contributions unless the loan is from a financial institution. The Federal Election Campaign Act (2 U.S.C. §442b & e) prohibits contributions from national banks, national corporations, and foreign nationals in connection with any local, state, or federal election to political office.
- ❖ Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (Gov. Code §84300)
- ❖ Never accept or spend \$100 or more in cash.

CAMPAIGN DISCLOSURE REQUIREMENTS

OFTEN OVERLOOKED (CONT...)

-
- ❖ For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)
 - ❖ Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000. Refer to recordkeeping guidelines in Manual 1 and 2.
 - ❖ Make copies of all contributor checks.
 - ❖ Itemize expenditures of \$500 or more made by an agent or campaign consultant.
 - ❖ Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
 - ❖ Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
 - ❖ **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
 - ❖ The source for each loan must be disclosed.
 - ❖ All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
 - ❖ As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity. If a 470 has been filed previously in the year, another 470 must be filed as the Semi-Annual Statement.
 - ❖ Payee addresses must be disclosed on the campaign statements for expenditures made.
 - ❖ If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
 - ❖ If \$1,000 or more is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

STATEMENT OF ECONOMIC INTEREST

(FORM 700)

WHO MUST FILE

State law (the Political Reform Act of 1974) requires candidates for federal, state and county offices to disclose their interests in real property and income within the past 12 months in a Statement of Economic Interests (Form 700) to be filed with the Declaration of Candidacy. (Gov. Code §87200, et. seq.)

EXCEPTION: This statement is not required of a candidate who has filed a statement for the same jurisdiction as an officeholder within sixty (60) days prior to assuming office or filing the Declaration of Candidacy. (Gov. Code §87201, 87202)

Candidates for federal offices file under federal rather than state disclosure laws. For information, candidates for U.S. Representatives should write to: Office of the Clerk of the House of Representatives, 1036 Longworth House Office Building, Washington D.C., 202-225-1300.

WHAT MUST BE DISCLOSED

Under state law, persons filing economic interests statements as candidates are required to disclose investments and interests in real property and income within the past 12 months. (Gov. Code §87201, 87203)

WHEN AND WHERE TO FILE

Candidates who must file may obtain forms from the San Benito County Elections Department. The Form 700 must be filed with the Elections Department with the Declaration of Candidacy.

If the statement is filed after the deadline, candidates may be penalized up to \$10 per day up to a maximum of \$100. Late filing penalties can be reduced or waived under certain circumstances. (Gov. Code §87201, 87500)

STATEMENTS ARE A PUBLIC RECORD

Statements of Economic Interests are public record. They may be inspected by anyone and copies may be purchased from the filing officer for 10 cents per page. (Gov. Code §81008)

CODE OF FAIR CAMPAIGN PRACTICES

(ELECTION CODE SECTIONS 20400-20444)

BACKGROUND INFORMATION

In 1982, legislation was passed which established a "Code of Fair Campaign Practices" in California which could be voluntarily subscribed to by candidates for public office. Amendments in 1987 expanded the provisions of the code so as to apply to committees formed primarily to support/oppose a ballot measure, and also reaffirmed civil liability provisions pertaining to libel and slander in campaign advertising and communications.

The text of the provisions of the Code of Fair Campaign Practices is listed on the following pages.

REGISTRAR OF VOTERS REQUIREMENT

The Office of the Registrar of Voters is required, at the time an individual is issued his/her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, to provide the candidate a blank form on which to subscribe to the "Code of Fair Campaign Practices" and a copy of the Elections Code provisions.

VOLUNTARY SUBSCRIPTION

Subscription to the Code is voluntary. Completed forms are to be filed with the Office of the Registrar of Voters and shall be retained for public inspection until 30 days after the election.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

AS FOUND IN CHAPTER 5 OF DIVISION 20 OF THE CALIFORNIA ELECTIONS CODE

CHAPTER 5. FAIR CAMPAIGN PRACTICES

ARTICLE 1. GENERAL INTENT

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. DEFINITIONS

20420. As used in this chapter, "Code" means the Code of Fair Campaign Practices.

ARTICLE 3. CODE OF FAIR CAMPAIGN PRACTICES

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee. The text of the code shall read, as follows:

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

CODE OF FAIR CAMPAIGN PRACTICES

§ 20440

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.”

SAMPLE

LAWS GOVERNING CAMPAIGN PRACTICES

POLITICAL ADVERTISING

Any paid political advertisement that refers to an election or to any candidate for state or local elective office and that is contained in or distributed with a newspaper, shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the advertisement or in 10-point roman type, whichever is larger, the words "Paid Political Advertisement". The words shall be set apart from any other printed matter. As used in this section "Paid Political Advertisement" shall mean and shall be limited to, published statements paid for by advertisers for purposes of supporting or defeating any person who has filed for an elective state or local office. §20008

SIMULATION OF THE BALLOT

Every simulated ballot or simulated sample ballot shall bear on each surface or page thereof, in type or lettering at least half as large as the type or lettering of the statement or words or in 10-point roman type, whichever is larger, in a printed or drawn box and set apart from any other printed matter, the following statement:

"NOTICE TO VOTERS
"(Required by Law)

"This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.

"This is an unofficial, marked ballot prepared by _____ (insert name and address of the person or organization responsible for preparation thereof)."

Violations will result in a court injunction. Our office is available to review proposed ballot simulations. §20009

CAMPAIGN LITERATURE CONTAINING POLLING PLACE OF VOTER

No person shall distribute, or cause to be distributed, literature to voters which includes the designation of a voter's polling place other than the precinct polling place listed for that voter in the latest official precinct polling place list prepared within 30 days prior to such distribution. (§18302). Violations may result in criminal penalties.

Candidates are requested not to distribute or mail campaign literature telling a voter where his/her polling place is located. It is not only confusing to voters, but invariably some polling place changes occur in the last few days before an election. In the past, candidates have mailed or had distributed campaign literature telling voters to go to the wrong polling place. We are sure you can understand the problems this causes for voters and our staff, as well as for the candidate.

Any person who violates any of the provisions of this section is guilty of a misdemeanor.

POLL WATCHERS

Poll watchers are allowed at the polling place as long as they obey the law and election procedures. Persons observing the polls may:

However, no one may interfere with the conduct of the election. Therefore, news media have been advised to remain at least 25 feet from the entrance to the polls. The media may take pictures or run a television camera inside the polling place providing they respect the voters' privacy and do not interfere with voting. They may not speak to voters regarding how they are voting within 25 feet of the entrance to the polling place.

Completed cards must be returned to the Elections Department within 3 business days or by the close of registration. Failure to do so is a misdemeanor.

PROVISIONAL VOTING & THE HELP AMERICA VOTE ACT:

HISTORY: A process for voting provisionally was added to the California Elections Code by Chapter 629 in 1983. (Elections Code §14310). The process provided that any voter claiming to be properly registered was entitled to vote even though the voter's qualification or entitlement to vote could not be immediately established. An additional code section (Elections Code §14311) was added by Chapter 919 in 1995 in response to provisions of the National Voter Registration Act of 1993 (NVRA/ "Motor Voter") Section 8 (e)(2)(A)(ii)(II) known as "Fail Safe."

In 2003, the federal Help America Vote Act (HAVA) was enacted to ensure voters be given the right to vote, and the Elections Code §14311 was amended to reflect mandates of this act.

This section allows a voter who is registered in San Benito County at one address, but has moved to another address, and did not re-register to vote by 15 days prior to the election, to vote a provisional ballot.

“A voter who has moved from one address to another within the same county and who has not reregistered to vote at that new address may, at his or her option, vote on the day of the election at the polling place at which he or she is entitled to vote based on his or her current residence address, or at the office of the county elections official. The voter shall be reregistered at the place of voting for future elections.”

HAVA further requires that all first time federal voters who have not provided on their voter's registration card a driver's license nor last 4-digits of their social security number to show ID at the polls or provide a copy of their driver's license if voting by mail. If the voter does not have appropriate ID, he or she may vote a provisional ballot.

“OTHER” PROVISIONAL VOTING: Provisional ballots are issued to voters whose voting eligibility cannot be established quickly and easily. Please be advised that poll workers in San Benito County are directed to “ALWAYS LET THE VOTER VOTE.” If eligibility cannot be determined, the voter must vote provisionally. Provisional voters must vote their ballot in person at the Elections Department, or polling place. Provisional ballots cannot be mailed.

EXAMPLES OF VOTERS WHO WILL VOTE PROVISIONALLY:

- ❖ Voter applied for a vote-by-mail ballot and now, for whatever reason, wants to vote in person and does not have his/her ballot to surrender.

- ❖ Voter cannot be found in the voter file, but claims to have properly registered to vote.
- ❖ Any other reason where the voter's eligibility cannot be determined instantly.

Provisional ballots are distinguished from regular ballots because they are placed in a pink envelope for election officials to research and resolve during the official canvass.

Provisional ballots will count if either:

1. The Elections Official establishes from the records in their office the voter's right to vote prior to the completion of the official canvass; or
2. By order of the Superior Court in the county of the voter's residence.

VOTE-BY-MAIL BALLOT DRIVES:

All registered voters may apply and Vote by mail.

Any person, including candidates and members of campaign organizations, can distribute applications for Vote by Mail ballots as long as the application meets the requirements of California Elections Code Section 3007 as to its contents. The name of any organization, which authorizes the distribution of Vote by Mail applications, shall be included on the application.

Upon request a Vote by Mail application form will be provided. The application form contains all information required by law.

Any individual, organization or group which distributes applications for Vote by Mail ballots and receives completed application forms back from voters, shall deliver the forms to the appropriate elections official within 72 hours of receiving the completed forms. Elections Code Section 18576 makes it a misdemeanor to delay the proper return of a Vote by Mail application.

FREQUENTLY ASKED QUESTIONS

When and where can I pick up and file my nomination documents?

The candidate filing period is July 14, 2014 – August 8, 2014. Nomination documents may be picked up at the Department of Elections (Registrar of Voters) Office. Nomination documents **may only be filed at** the Department of Elections; unless it is a City Office then the filing is at the Office of the City Clerk.

When is the candidate nomination extension period and can an incumbent file nomination documents during an extension period?

The candidate nomination extension period is August 11, 2014 – August 13, only if the incumbent fails to file by the August 8th regular nomination period deadline. No, an incumbent **cannot** file during an extension period as it is extended only for candidates other than the incumbent to pick up or file their nomination documents.

May I change or correct the wording or spelling on my candidate statement after submission?

No, you may not. Statements cannot be changed for any reason after they have been filed, unless a court order (writ of mandate) is filed.

If I submit a voluntary candidate statement and I change my mind, may I withdraw the statement and receive a refund?

Yes, with certain conditions. The candidate statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period. If you withdraw your statement within this time frame, you will receive a refund. After this time frame, your statement cannot be withdrawn, nor a refund given. If you withdraw your candidate statement, you will not be allowed to file another one.

Can I choose what languages my candidate statement will be printed in?

No, our office is federally mandated to print our Sample Ballots/Voter Information Pamphlets in English and Spanish.

As a Candidate/Campaign member can I gather voted Vote-by-Mail ballots and return them to the Department of Elections?

No! Voted Vote-by-Mail ballots can only be returned by the voter. Election Code section 3017 specifically states that and Election Official cannot count a vote by mail ballot unless it is returned in the manner required by law. If you have specific questions or concerns about a Vote-by-Mail campaign please visit our office or contact us for additional information.

FREQUENTLY ASKED QUESTIONS (CONT...)

May my spouse, relative, friend or campaign manager pick up and/or file nomination documents for me or can I mail them to you?

Yes, all forms may be picked up or filed by a candidate or a representative of the candidate. However, if someone other than the candidate is **picking up** nomination papers, they must have specific written authorization to do so. However, candidates are urged to file in person. The reasons are twofold:

- A. The oath of office on the Declaration of Candidacy must be administered by a member of the Department of Election's Deputy, an authorized public official, or a notary public. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files; and
- B. The signature of the candidate, as well as other data, is required on many documents involved in the nomination process. If through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person.

If the candidate wishes to mail the nomination papers, they must be sent by certified mail and arrive in our office by the close of the nomination period, regardless of the postmark.

Am I required to file financial documents related to my campaign?

Yes, every candidate must file some type of financial documents at specified deadlines. Refer to the "Campaign Finance Disclosure Information" section of this guide for more information.

I am unable to complete and file any of my FPPC campaign disclosure statements by the filing deadline. May I obtain an extension and will I be fined?

No, there is no provision in the Political Reform Act that permits any filing officer to extend a filing deadline. Statements that are filed late are subject to a fine of \$10.00 per day until the statement is filed. You may be fined for filing your statements late.

Can I place campaign signs anywhere I want?

No, there are city, county and state regulations concerning placement of campaign signs. Please refer to the "Outdoor Political Advertising Guidelines" section of this guide.

Can I charge with a credit card to pay my filing fee, purchase voter material, or to pay my candidate statement fee?

No. Cash, checks, or money orders are acceptable forms of payment.

FREQUENTLY ASKED QUESTIONS (CONT...)

How soon will a list of qualified candidates be available after the close of nomination?

The nomination period ends at 5:00 p.m. on August 8, 2014, but if an incumbent does not file, the nomination period is extended until August 13, 2014. A list of local candidates will be prepared in the following days, and should be available for distribution by noon on August 18, 2014. You may come into the office and view the candidate list at no charge or purchase a copy of it.

Can I come into the Department of Election's Office on election night and view the tabulation of the votes?

Yes, you can come into our office on election night and view the entire process of the vote tabulation. All election night visitors must be escorted in our office so please call us ahead of time to inform us that you will be coming to our office. Calling ahead helps us plan our staffing needs.

Can I obtain election night results on the Internet?

Yes, you may obtain the most up-to-date election night results on our website at www.sbcvote.us

Why is there so much paperwork involved in being a candidate?

Election law specifies documents required, as well as format, filing dates, etc. The filing requirements are not discretionary.
